About Dominion Software Systems and a US election fraud

#Elections #Fraud #DominionSoftware

An interesting video featuring Dr. Kelli Ward, US Republican GOP Chairwoman of Arizona about Dominion Software Systems:

Correction: Formally, Sidney Powell is not a member of Trump's legal team. What Dr. Ward meant is that Sidney Powell is an attorney who had worked for the US Department of Justice in the past and who shares information with members of the president's legal team on a regular basis. (Minute 3:17)
